

7 Daily Prayers

For Orphans and Vulnerable
Children in War-torn Ukraine

Dear Lord,

1. Today, I come to you to pray for strength and encouragement for the children that have lost their parents due to this crisis. I pray that your word finds it's way into the hearts of each child and that you provide for their physical, spiritual, and emotional needs.
-Psalm 73:26

2. I pray that you would protect the street children in the war-torn regions of Ukraine. Please keep them safe from predators and give the children wisdom to recognize the difference between good and bad. Lord, bring people into their lives to speak truth and love. Help them to realize the potential for them You have written in their book of life.
-Exodus 22:22-23

3. Please speak to me, and the hearts of all who are open to hearing the need and responding to the crisis in Ukraine. I Pray that our ears are open to hearing the need of the most vulnerable and it sparks in us a response to go and help where you call us to help. Prepare our hearts, Lord, to join Your mission for orphans and vulnerable children in Ukraine.
-Isaiah 1:17

4. Thank you for speaking to the hearts of Christians in Ukraine in the past several years. Lord, in the presence of the crisis between Russia and Ukraine, more children are falling victim to orphanhood. I pray that You continue to work on the hearts of Ukrainian Christians and You will give strength and patience to those you call to adopt. Even in the presence of war in the East, call them and open their hearts, Lord.
-Matthew 18:5

5. I want You to build in me a love for others like You love. Teach me to care for those in distress, how to adopt them into my heart as You have adopted me into Your heart. We are all children of Your Holy name. Speak into the hearts and minds of the vulnerable children and families in war-torn Ukraine that You are there amongst them ready to comfort and give them rest in Your name. Thank You, Lord.

-Romans 8:14-15

6. We know that there are 1.7 million children affected by this crisis. I call You to provide for the least of these during the turmoil unfolding in Eastern Ukraine today, Lord. The women who have lost their husbands and children who have lost their fathers, please comfort them, feed them, clothe them, keep them warm. Raise up people of faith who can carry out your love and compassion. Don't let one blind eye be turned to the need. *For Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you.* -James 1:27 (NLT)

7. The fear of not knowing what is going to happen next is something that grown ups struggle with on a daily basis on a normal day. But to a child, who looks to their parents for their safety and comfort, I can't imagine what they must feel. I lift up the children in War-torn Ukraine today and everyday, Lord, that you would guide and protect them. You are the Father to the fatherless, a defender of widows. Raise up refuge centers to take in the children and orphans. Raise up funds for these evacuation efforts to be able to take place. Raise up families to take in the orphans and street children into their homes. I believe in You, Lord Jesus.

*It's in Your
name I pray,
Amen!*
